

THE FIFTH ANNUAL

# *Annable Designs* GOLF CLASSIC

**Monday, May 28, 2018**

In support of :

Hosted By :

# Giving Back to the Community of Leeds and Grenville

Annable Designs is honoured to be bringing back the “Annable Designs Golf Classic” for its **FIFTH YEAR!!** We have always made giving back to our local community a significant part of their company mission. Owner and Architectural Designer, David Annable stated: *"This event is a great opportunity to bring together local contractors, business people and corporate partners for a day of Golf while raising money for a Great Cause and Charity that gives back directly to the Local Area."* Over the Past Four Years our events have raised and donated a total of : **\$67,149.57 ! ! ! !**

The Joyce Group, Brockville

## Tim Hortons Camp Day:

This Year Annable Designs is teaming up with The Joyce Group, local owners of Brockville Tim Hortons, to kick off #CampDay Week!! Whether you buy a coffee on June 1st at your Local Tim Hortons or make an online donation, you're helping to turn a kid's life around. #CampDay is not just a one day event. It's all year round!! With the Focus of the Efforts of Annable Designs and Brockville Tim Hortons, this year's golf tournament will help ramp up local fundraising efforts to help give more kids the opportunity to be who they want to be. You will be directly helping low-income kids build essential life skills, change their live in a positive way and make their futures brighter.

## What is the Tim Hortons Children's Foundation?

The Tim Horton Children's Foundation was established in 1974 to honour Tim Horton's love for children, and his desire to help those less fortunate. Our programs are designed to change the way young people from low-income families think about themselves and the opportunities that exist for them. Our Foundation relies on the generosity of supporters just like you. Whether you give a little or a lot, every gift helps.

1 in 6 children across Canada and the United States live in economically disadvantaged homes. For these children, opportunities and environments that promote their growth into healthy individuals are often limited. A Foundation camp experience provides programs to help these children develop lifelong skills. When they return home, they bring with them a positive attitude about their future, and the confidence to achieve goals they learned to set for themselves.
